

ington, told Mrs. Conner that the "rapidly expanding area" indicated the great need for a carrier station to serve the thousands of new residents of North Torrance.

THINGS TO COME . . .
Ten-cent plastic electrical plugs force spikes through insulation on existing wires, offer new connections in seconds.

30 Year Pins Given Employees

Service pins signifying 30 years with U. S. Steel Corp., were awarded this month to two employees

of the Columbia Steel Company. It was announced this week.

John Arutoff, a resident of Los Angeles came to work at Columbia on July 2, 1923 as a laborer and is currently employed as a burner

in the open hearth department. He was presented his award by John Oursler, superintendent of the open hearth department.

N. TORRANCE TO RECEIVE POST OFFICE

North Torrance will get its own post office, according to Congressman Cecil R. King, representative of the 17th District.

King said that the matter of securing quarters for the new classified carrier station had been referred to the Post Office Bureau of Facilities.

"We can use another station," stated Mrs. Clara A. Conner, Torrance postmaster. "Our quarters here are very crowded."

Mrs. Conner, said that a department inspector had toured the area a month ago and stated that he would recommend a carrier station for the area. Mrs. Conner said a carrier station was one in which mail was distributed to carriers who would work out of the new post office.

In addition, regular post office services will be offered the public including the sale of postage stamps, money orders and parcel post.

N. R. Abrams, assistant postmaster general in the Bureau of Post Office Operations in Wash-
